Invitation to Exhibit

Welcome to the 2020 Mildura Field Days Prospectus.

The move to the Mildura Racecourse in 2019 has opened up a variety of opportunities for exhibitors and for the continued growth of annual Mildura Field Days. We thank exhibitors for their understanding and willingness to work with us during the inevitable teething issue associated with moving to a new site.

We have received a lot of feedback on the new site with the ambience of the food court proving to be very popular with patrons, filling many times over the two days of the event. The grassed area and facilities were a winner with both patrons and exhibitors alike, but expect a few tweaks in the layout for the 2020 event as we make the most of the new location.

In 2020, patrons will be directed to parking in the centre of the track adjacent to where exhibitors are located. This will increase traffic flow through the exhibitor area and reduce walking distances for patrons. Once this area is full, patrons will be directed to park either side of Racecourse Road with a shuttle bus service collecting and dropping patrons off to vehicles during the opening hours of the event.

We will once again be offering our parcel pick up & collection service, so please grab your "pick up" slips from the Site Office.

The stage adjacent to the main food court will once again be available free of charge to host presentations, demonstrations and educational sessions throughout the two days of the event. Please discuss any presentation requirements or ideas you may have and don't forget to fill in the box on the application form.

The Mildura Field Days committee are absolutely thrilled to announce our new website. It can be found at <u>www.mildurafielddays.com.au</u>. Our new website will provide further promotional opportunities for exhibitors over the next few years so keep a watch for updates from us on when they are up and ready to go. And of course don't forget to follow us on Facebook and Twitter and please tag us in your posts to increase exposure and awareness of your product or service being available at the event. In choosing to exhibit at the Mildura Field Days, your business will be featured on our social media sites, offering you additional exposure from this effective publicity tool.

There are number of sponsorship opportunities available throughout the event. Should you wish to be a naming sponsor of a section of the event, please contact Jo Rodda, our coordinator on 0487 021 122 to discuss options.

Thank you your ongoing support. Let's have a field day

Your insurer must be approved by the Australian Prudential Regulatory Authority (APRA) and also subscribe to a credit rating agency such as Standard & Poors or similar. Unauthorized Foreign Insurers (UFI's) are NOT acceptable. Your insurer must be an insurer that we approve of.

The Certificate of Currency to qualify must include the following:-

Must indicate that the cover is provided for the period of the Field Days.

A minimum cover of \$10 million

Must describe the nature of the business and the description must match the nature of the activity you will be undertaking at the Field Days.

Coverage extends to events such as the Field Days.

If you have coverage for less than \$10 million arrange with your insurer or insurance advisor to extend it to \$10 million. Exhibitors holding multiples of standard sites will be issued passes based on the number of sites held up to a maximum of **10** passes. Exhibitors are able to order additional passes with the site application form at the Exhibitor discounted rate of \$10 per two day pass. Additional Exhibitor passes, need to be applied for in the application form at a cost of \$10.00 per pass (**Only available prepurchase on the application form. If you require more than one 10 amp outlet this MAY be provided on payment of an additional \$110.00. Limited power is included in the Indoor/undercover sites. Exhibitors may bring a QUIET generator to power sites.

Extension Leads

It is the exhibitors' responsibility to provide adequate extension leads to reach the nearest power box. No exhibitor requiring power will be more than 30 metres from a power box. Please check that your leads are of adequate current rating and in a sound condition and **must have been tested & tagged**.

Fencing

To ensure security of goods inside the site, the site excluding the carpark is fully fenced. Please ensure the site you choose is large enough to fit **ALL** of your requirements, as vehicles that do not fit completely within your site will not be allowed to remain on site and will need to be moved outside the fence to the carpark.

Urns & Other High Consumption Devices

The use of electric urns (including small domestic urns), electric heaters, other electrical devices rated at 2kw or above and banks of devices (such as 500w quartz halogen flood lights) totalling 2kw or above is **STRICTLY PROHIBITED** unless previous arrangements have been made with and approved by the committee. Any such device found in use and connected to the provided supply will be confiscated and returned at the conclusion of the field days. This prohibition is made in the interest of the majority of exhibitors. Many exhibitors are using computers and/or audio/video equipment as a major part of their display. The loss of electricity to them can cause damage to their equipment and can totally destroy their reason for attending.

Vehicles

Exhibitors are asked to have all vehicles off the venue by 8:30am on both days of the event. Vehicular movement is strictly prohibited within the venue whilst the event is open to the public No vehicular access will be granted for exhibit removal until <u>after</u> 4pm Saturday.
