Welcome to the 2024 Mildura Field Days!

With great excitement, the wait for the 2024 Mildura Field Days is over!

We look forward to welcoming you to the event to enjoy and experience everything the event has to offer. It will be two days of filled with family friendly activities, entertainment for all ages, loads to see & do and of course, plenty of delicious food.

There really is something for everyone at the Mildura Field Days! From the large-scale farmers right down to the garden enthusiast and everything in between and we even have some special treats just for the kids.

Special thanks must go to our media partners, for their fabulous support and to Dried Fruits Australia, who established the event all those years ago. This year

we are thrilled to welcome the collaborative group comprising, the Murray Valley Winegrowers, the Australian Table Grape Association and Dried

Fruits Australia who are bringing demonstrations and presentations of the very latest in autonomous equipment. How amazing will it be to see driverless tractors and machinery!

And lastly, thank you to our dedicated volunteers, our committee and the Mildura Racing Club Team and our fabulous exhibitors, without whom we wouldn't have an event. It could not have been done without all of these wonderful people.

Let's Have a Field Day.

A message from the Mayor

On behalf of Mildura Rural City Council, I am delighted to acknowledge the official opening of the 73rd Annual Mildura Field Days 2-day event.

Mildura Field Days showcases iconic local foods selections from our region along with the best of horticulture and farming industry exhibits.

This spectacular event provides a chance for families in our community to come together to enjoy the great day out of entertainment and activities.

I am sure this event has not been a small undertaking to coordinate - I congratulate

all involved including the event organisers, volunteers, sponsors, and exhibitors for bringing such an important event to our community.

Thank you to those that may have travelled to participate in or attend Mildura Field Days, I trust that visitors to our wonderful region will have a memorable time experiencing what Sunraysia has to offer.

Best wishes,

Cr Liam Wood
Mayor
Mildura Rural City Council

Welcome from the Committee

The Mildura Field Days has grown from humble beginnings as a Gadget Day to become a premier event on the calendar.

For over seventy years, the Field Days have been providing farmers the chance to see the latest farming concepts and newest technologies. The event is so much more than that now, with the inclusion of additional farming associations and the broadening of the types of goods and services on display. It is a family friendly event for

Mildura Field Days Committee: Brendan Cockfield, Allan Lyell, Jo Rodda, David Lyons & Daryn Gardner

the farmer, the families and where agriculture and community unite.

We hope you enjoy the free activities and entertainment and pick up

a bargain or two. You never know, you might come away with a new idea or opportunity.

The committee thanks all the exhibitors, volunteers

and attendees for helping us to make the Mildura Field Days the great event it is.

Family Entertainment

The Mildura Field Days is a family fun filled event!

A Field Days favourite is Black Snake Productions with their diverse array of animals in their fun and interactive wildlife presentations.

There is free face painting and the children's play area for the kids as well as hours of fun filling their goodie bags as they visit the stalls along the Future Farmers Trail.

There will be free entertainment on the main stage including the very popular kids show, Get Your Groove On. Make sure you check out the Make Friends with Food presentation, the SunSmart crew, the Mallee Sunset Ute Show and the Tractor Restoration & Appreciation Club's display of vintage machinery.

There is plenty for the grown-up's too, including Old Dogs on the Dried Fruits Australia Stage and the driverless tractor and machinery demonstrations

There is loads to see, do, experience and enjoy!

Autonomous Driverless Machinery at the

2024 Mildura Field Days

A collaboration between the Australian Table Grape Association, Dried Fruits Australia and Murray Valley Winegrowers at the Field Days will highlight the latest in agtech with demonstrations and presentations of the very latest in autonomous equipment.

Agtech and innovation presentations will include weed, disease and pest

management, canopy measurements, autonomous tractors, efficient and autonomous spraying, harvest innovation, and equipment and personnel management.

Presentations will include information from companies behind the technology, as well as commercial users of this high-tech equipment.

The Annual Murray Valley

Winegrowers Forum for growers will be held on Friday morning at the Field Days followed by the demonstrations of the driverless machinery after lunch.

A home for all Hearts

Sacred Heart is a place of welcome, hospitality, family spirit and student achievement, both within and outside of the classroom.

As a co-educational secondary college for Years 7-12, with boarding accommodation and care from Year 9, Sacred Heart College is a community connected by a love of learning and service to others, where your sons and daughters will grow Courageous Hearts.

Please contact the Boarding Registrar on (08) 8350 2559 or email boarding@shc.sa.edu.au

Innovation through collaboration

The Mallee Regional Innovation Centre is focused on delivering high-quality research and innovation through collaboration to address the region's key challenges and priorities.

With the support of our partners, The University of Melbourne, La Trobe University and SuniTAFE, the Mildura-based Centre works across the areas of horticulture, the environment, energy and water.

Our projects and activities include:

- » Addressing water issues as a partner in the One Basin CRC
- » Boosting drought resilience as part of the Victoria Drought and Innovation Hub
- » Agricultural technology demonstrations at the SuniTAFE Smart Farm
- » Accelerating the development of a local hydrogen industry
- » Mechanised pruning development with Dried Fruits Australia.

Visit the Mallee Regional Innovation Centre to learn more about our work and how you can get involved.

Goodbye 3G. Hello to a better network experience.

To help provide you with an improved experience, we're evolving our mobile network. This means that on 30 June 2024 we're switching off our 3G network. Our 4G and 5G networks will be available instead and offer an improved experience, representing the next leap forward in mobile network technology.

Some of your devices - including handsets, medical devices, and EFTPOS machines - may need to be updated or replaced ahead of the closure to ensure ongoing service. We're here to help you with the change and answer any questions you may have.

Come and talk to the team about our upcoming 3G network closure. We'll be there to help.

Find us at the Telstra Experience Vehicle at the Mildura Field days, 17-18 May.

Visit us in-store or online.
